- **Town Halls**

- Monday, Jan 11
 - 1:00 - 2:00 EST
 - [Town Hall Meeting 2.I Town Hall Meetings - NASA's Earth Science Flight Program - Investments In And Planning For The Next-Generation Earth Observatories: Dr. Charles E. Webb \(NASA HQ\)](#)
 - 3:30 - 4:30 EST.
 - [Town Hall Meeting 3.I Town Hall Meetings - NOAA Satellites and Data Evolution](#)
 - [Town Hall Meeting 3.II Town Hall Meetings - US CLIVAR Town Hall: Articulating Climate and Weather Research and Educational Needs to Inform Commercialization of Atmospheric and Oceanic Data](#)
- Tuesday, Jan 12
 - 4:00 - 5:00 EST
 - [Town Hall Meeting 6.I Town Hall Meetings - NASA Earth Science Division Town Hall](#)
 - [Town Hall Meeting 6.II Town Hall Meetings - NOAA Big Data Program](#)
- Wednesday, Jan 13
 - 1:00 - 2:00 EST
 - [Town Hall Meeting 8.II Town Hall Meetings - What Computational Simulation Data Do I Need to Preserve and Share to Publish a Journal Article?](#)
- Friday, Jan 15
 - 1:00 - 2:00 EST
 - [Town Hall Meeting 14.II Town Hall Meetings - NASA Earth Science Division Commercial Smallsat Data Acquisition Program: Overview and Update](#)

- **Sessions**

- Tuesday, Jan 12

- 4:00 - 5:00 EST

- [Session 6 37th Conference on Environmental Information Processing Technologies - Developing Cloud-Based Tools for Data Analysis, Visualization, and Archiving](#)

- Wednesday, Jan 13

- 2:00 - 3:30 EST

- [Poster 3 37th Conference on Environmental Information Processing Technologies - EIPT Posters](#)

- 3:30 - 4:30 EST

- [Session 9 37th Conference on Environmental Information Processing Technologies - Modernizing the Weather and Water Enterprise, GIS, the Internet of Things, and Quasi-Operational Products](#)
 - [Joint 9 21st Conference on Aviation, Range, and Aerospace Meteorology - UAS Sensing Technology Development and Its Use in Developing Weather Guidance for Manned and Unmanned Flight](#)

- Thursday, Jan 14

- 1:00 - 2:00 EST

- [Session 11 24th Conference of Atmospheric Science Librarians International - Change and the Profession](#)

- 4:00 - 5:00 EST

- [37th Conference on Environmental Information Processing Technologies **Session 12** Weather and Roads—Strengthening Engagements with Communities; Meeting Data Stewardship Needs for Heterogeneous Earth and Atmospheric Science Data](#)
